Dear Praying Friends,

I am amazed at how fast time marches on. The bible tells in James 4:14 "Whereas ye know not what *shall* be on the morrow. For what *is* your life? It is even a vapour that appeareth for a little time, and then vanisheth away." It's hard to believe but, I am now at the ripe old age of 39!!!! It's amazing to me how that just a few short years ago all I cared about was fishing, football and frog gigging then the Lord saved me at the age of 18 and after a period of rebellion that I am not proud of that God called me and I surrendered to preach when I was 22 yrs old. So much has happened since that time. I have been blessed to be in half of the continental USA, met and married Terra, Have an incredibly handsome 8 yr old son and have been involved inn the Lord's work. All I can say is God is good to us in spite of us!!!!

God continues to bless the work in Nancy with a good spirit and some visitors. I am encouraged with attentiveness to the preaching and teaching of God's Word by the people. On Wednesdays we are still having our ladies and men prayer groups after we sing a song and I bring a 20-25 minute lesson out of Proverbs. We have preached on "The Biblical Definition of a fool", "What wise people do", "Instructions of Solomon Chapter 1:1-7" these lessons seem to be taking root and producing fruit among the people. This time of prayer has brought our group closer together.

As I had expressed earlier this year our desire is to organize this work and I really thought we were at a place where we could get the ball rolling on this matter but, the Lord has shown me the work is not quite there. Sometimes I get in a hurry and get ahead of the Lord. There is still much instruction that must be given to the folks here and I must patiently wait on the Lord.

I am thankful for God's providence in all areas of life and I personally would like to thank you for all your prayers and support. God is so gracious to my family and for that I rejoice that He smiles on us with his loving favor. One thing the Lord has shown me over and over again is that I am nothing and he is everything, TO GOD BE THE GLORY!!!! GREATTHINGS HE HAS DONE!!!!

Sincerely,

Troy, Terra and Zechariah McGahan
